LAND AT CROUCH LANE OPPOSITE THE SCHOOL

Site Description

The site is visible from the main road but is not on a busy bend, the existing gateway would be used as per plan.

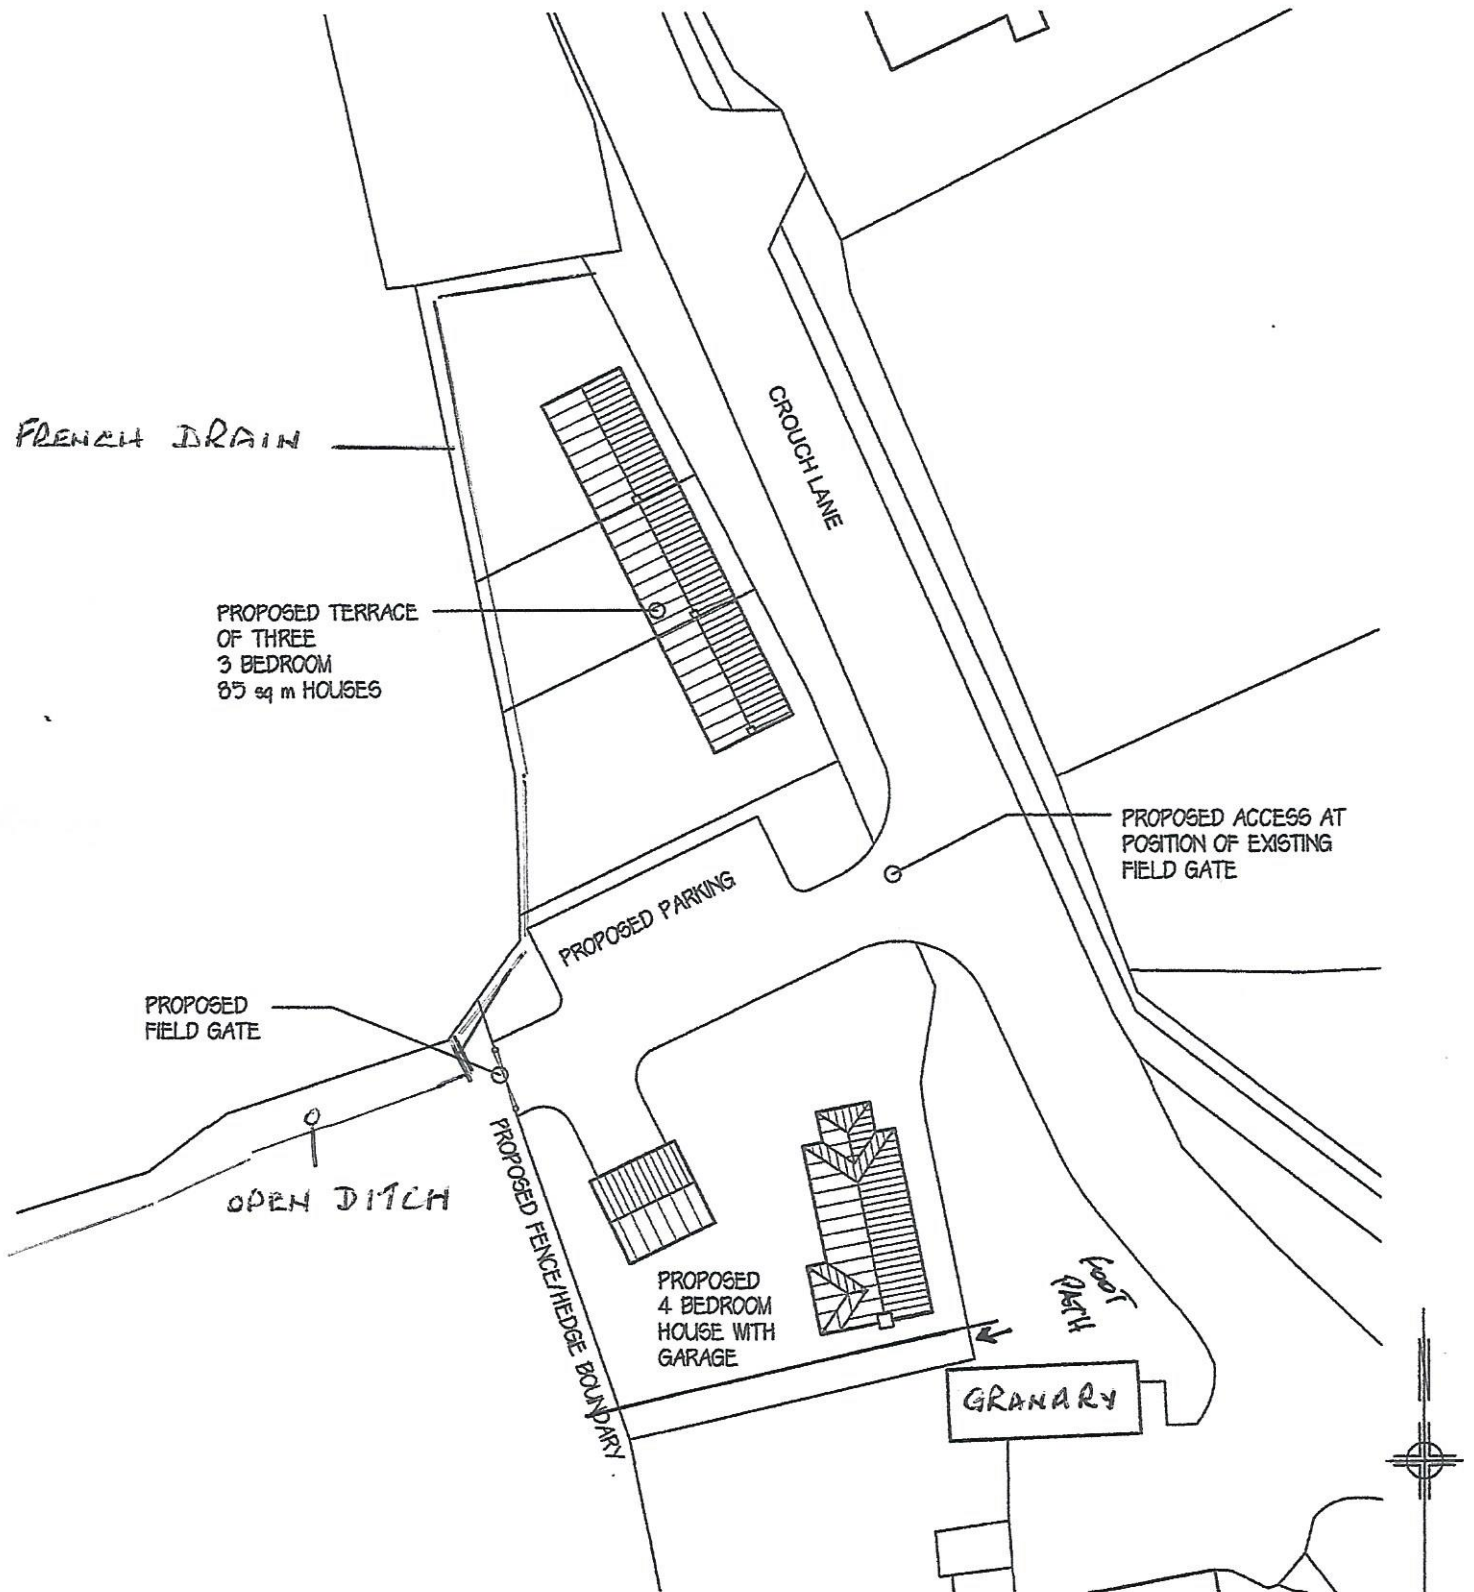

The public right of way would not be affected please view the plan.

The deep ditch has just recently been dug to facilitate a “French Drain”

There would be no impact on the setting of the Grade 2 building located on Holwell Drove.

Highways had no objection to this site in October 2016
